STEPS TO JOIN AND START A MEETING USING GOOGLE MEET FROM ANDROID MOBILE HANDSET Prepared by Shri. Muhammad Ansar, AE(DP), IGNOU Regional Centre Cochin, Kerala (<u>anzarta@gmail.com</u> – to be used with acknowledgement)

1. Use Play Store to search for Google Meet and install it. Once installed, click on Open

After opening, the page will ask you to 2. login and after login, the app will show your video and Audio where one can check the clarity. And this screen will also show you the scheduled meetings. Through this window, you can create new meeting, or join already scheduled meeting. Participation in one meeting at a time is only (Simile allowed like physical face-to-face meeting).
