### Prof. G. Ram Reddy

was the harbinger of the idea of open university in India. He was the founding Vice Chancellor of India's first Open University, the Andhra Pradesh Open University (APOU), and of the Indira Gandhi National Open University (IGNOU). Educated at Osmania University and the London School of Economics, he was a distinguished scholar of Political Science and Public Administration. His contribution to the cause of higher education in India and other developing countries earned him world-wide acclaim and recognition. Convinced of the importance of universal access to higher education in achieving economic development, Prof. G. Ram Reddy made as his life's mission. He established, shaped and nurtured many institutions of higher learning, including the UGC, ICSSR, NAAC and BRAOU in India. He held many other important positions in the academic world - Vice Chancellor of Osmania University for two terms; Vice-President of the Commonwealth of Learning (COL), Vancouver, Chairman of the University Grants Commission and Chairman of the Indian Council of Social Science Research. The COL-International Council of Distance Education (ICDE) Award for Excellence conferred on Prof. Ram Reddy, is an eloquent testimony to the international recognition of his vision and contribution. People who knew Prof. Reddy, called as **AJATASHATRU**, a person who does not have an enemy. He was an open, friendly, approachable and extremely modest person.
